

AMENDMENTS TO THE DRAWINGS:

Submitted herewith is an amended FIG. 1.

In response to the objection to the drawing under 37 C.F.R. §1.83(a), FIG. 1 has been amended to add the “air cutting device”, now labeled 12, and a device to implement the “decision making algorithm”, now labeled 11. As discussed below, the specification has been appropriately amended to refer to these reference numerals.
